Beechcraft

Biography

Alexander (Alex) L.W. Snyder, Executive Vice President, General Counsel and Secretary

Snyder joined the company in 2010. He is responsible for all legal matters for Beechcraft and its affiliated companies

Prior to joining Beechcraft, Snyder spent seven years with Koch Industries in Wichita where he served in a variety of roles, including Associate General Counsel for Corporate & Commercial Matters and Chief Counsel for Mergers & Acquisitions. Before joining Koch, Snyder was based in New York where he spent four years at the law firm Davis Polk & Wardwell, as well as four years at the law firm Fried, Frank, Harris, Shriver & Jacobson.

Snyder is a graduate of the Columbia University School of Law, where he was a Stone Scholar. He graduated magna cum laude from Harvard College with a bachelor's degree in government and history. He is admitted to practice law in New York, Connecticut and Kansas, and is a member of the American Bar Association.

Beechcraft designs, builds and supports versatile and globally renowned aircraft, including the King Air turboprops, piston-engine Baron and Bonanza, and the T-6 trainer and AT-6 light attack military aircraft. Its 5,400 highly skilled employees are focused on continuously improving the company's products and services which are sold to individuals, businesses and governments worldwide. In business since 1932, Beechcraft has built more than 54,000 aircraft and more than 36,000 continue flying today. It leads the industry with a global network of more than 90 factory-owned and authorized service centers. The company's headquarters and major manufacturing facilities are located in Wichita, Kan.
